A deposit in the amount of \$250.00 is required to hold puppy.

The deposit must be received promptly (within 3 business days) to hold puppy.

Please use Express or Priority mail when sending payment. The outstanding balance shall be paid to and received by the Seller at the time of puppy selection and around the 6th week. Buyer shall obtain possession of the puppy, any AKC registration papers or health records are provided to the Buyer.

Checks are accepted for deposits only.

The balance due must be paid for in cash when the puppy is picked up.

Pick of puppies is given in the order of deposit received. The puppy must be picked out on the day and time the Seller and you arrive at, so the next pick in line can pick their pup out. If you can't make it we will pick your puppy for you. The Buyer agrees that if the puppy is not picked up by 9 weeks old, there will be a \$17.00 a day boarding fee.

The deposit signifies that the Buyer intends to follow through with the purchase of the puppy from the Seller. If the Buyer cannot follow through with the purchase of the puppy, the deposit is forfeited and NO refund will be given.

The best policy is to be absolutely sure that you want a puppy from this pairing, before you send your deposit! If the pairing is not successful, your deposit will be moved to a future pairing of similar or better quality. After the pups are born, if your puppy were to die or be determined to have a congenital defect that prevents the puppy from being a companion animal, a replacement puppy of a subsequent breeding of similar quality will be given to the Buyer.

If there is another puppy available that the Buyer wants to put the deposit towards, the deposit can be put towards that puppy.
